- ***NO FOOD OR DRINK*** is permitted in the auditorium.

Dress Rehearsal, Saturday May 5th

Check-in for dancers at rehearsal will be BEHIND the theatre on the outside of the building. *Please see map on last page of this instruction booklet* Please note that this entrance is for dancers to check in only. (There will be signs to help direct you)

Please have your child ready & fully dressed in their costumes when they arrive at Hillgrove High School for the dress rehearsal. They should be wearing the shoes that they perform in first ([check dress rehearsal schedule](#)). Please understand that we move these routines quickly and *cannot wait for those that are not there on time and ready to perform*. Girls can wear light make-up. It is a big stage and we want to see their faces. *Be sure your child's name is written on their shoes.* Wear the proper color and style tights that came with the costume. No underwear under their tights. (They show from the stage.)

For those dancers that have two pair of dance shoes: At the check-in desk there will be a shoe basket, labeled with your child's class and a picture of their costume. ***Please be sure that their shoes are labeled with their name*** and then place the shoes they aren't wearing in their class shoe basket.

Once your dancer has been checked in, they will then be taken back stage and you will be directed inside of the theatre where you can be seated and watch your child's dance routines. *When your dancer finishes ALL of their dances, a teacher/assistant will dismiss them from the stage.* *Once you get all of their shoes returned, you are free to go.* We anticipate that this whole process should take anywhere from 45 min– 1 hour depending on how many dances your child is in.
